★★★★★ Great Book
By Tami Durst on May 12, 2014

Verified Purchase
Great book. The combination of non fiction
in a suspense story is amazing. I enjoyed
the book and bought several as gifts. I truly
recommend.

"You may not realize yet ... your fame and wealth is totally dependent on your Million Dollar Brain Power."

What You Choose to Remember can make you Wealthy and Successful

The MIND HACKING Mini Marathon

To scale the corporate ladder or to make it big in the business scene, are you taking advantage of your strongest and most efficient tool – **YOUR BRAIN?** **PMEBs who have trained their brain and memory can easily transform simple tasks into outstanding achievements. They are poised to scale the career ladder and watch their income grow FASTER.**

And since we know that your time is valuable and you want to get to the point – here you have it: **For the first time – Eran's 7 best selling TED style condensed lectures in one single package!**

1. Develop a Super Memory - Learn the 3 principals that will improve your memory by 50% and instantly remember everything you read or hear: facts, data, articles and even jokes. Create impactful **Presentations without notes** –you will succeed in wow-ing your audience with large amounts of information conveyed in a convincing manner.

2. Make the Right Decision in 2 minutes - Based on scientific research. Why do rational people believe that they can beat the casino? Can we create a mental mechanism to avoid making fatal mistakes in the future? You will learn the technique here

3. Erase bad memories and failures and move on to success - Do past failures make you feel insecure? Are you afraid to reach for the stars? The burden of the past and its impact on our future; Learn how to move from failure to success with renewed enthusiasm and motivation.

4. Learn the Art of Getting Lucky - Is luck related to destiny? What is the difference between lucky

people and unlucky ones You will learn The Art of Creating Luck and Prosperity for yourself & others.

5. Nobel Prize Mind - Why do many Jews win the Nobel prize? Why do many Jews win the Nobel prize? What is their unique way of studying and thinking... and how can we use their secrets to out smart our competitors and achieve remarkable success

6. Develop a Super Memory for Names and Faces - What's the name of that guy I just met? Avoid embarrassing situations and generate rapport and better relations. Learn extraordinary techniques used by memory masters: The Gucci association, the JFK technique, the twin's effect, Napoleon's technique and other efficient methods to easily remember names.

7. Language Hacking - Learn any language fast - Unique brain skills which will, save valuable time, reduce unnecessary stress

What Others Said of Eran?

Dr. Kanthati Suphamongkon, 39th Foreign Minister of Thailand – *"Eran's books and methods are necessary for anyone who wishes to reach high levels of Success"*

Bill Schultz, CEO, Coca-Cola Co., South Pacific Asia
"Your seminar was a wonderful combination of entertainment and valuable efficient methods"

"No technology can replace our memory - remembering is learning." Eran Katz

ERAN KATZ The Super Memory Master

Eran appears in numerous TV, radio and online shows sharing his knowledge on memory power

Presenting his book to HRH Princess Maha Chakri Sirindhorn, daughter of the Thai King

Eran Katz is a Guinness Book of Records holder for the longest string of number memorised. Before a live audience, he demonstrates how he can recite the numbers after hearing them once, including backwards.

Eran is an eloquent speaker and teacher in the memory and intelligence sphere. Memory is a skill that can be trained and improves with practise, that is Eran's firm belief. About 200,000 people around the world have attended one of the 1900 entertaining lectures and seminars he has delivered.

He has written several books on memory which have been translated into many languages. On top of best sellers, "Secrets of a Super Memory" and "Jerome Becomes a Genius", his 2010 book "Where did Noah Park the Ark", published by Random House, was on best-selling non-fiction lists in many global bookstores including our own Borders, Kinokuniya, Times and Popular bookstores. His new book "Five Gifts for the Mind" published in 2014, was #1 Non fiction bestseller in Israel and S. Korea.
